ACCOUNT.

Establishment.

Simla, the 19th June 1893.

Inadmissibility of local allowances to officers of the Superior Establishment of the Accounts Branch, Public Works Department, appointed after the 1st January 1893.

Read again—

Public Works Department resolution No. 36 A. E., dated the 9th February 1893.

Public Works Department code, volume I, chapter I, paragraphs 29 and 30, and appendix Y.

OBSERVATIONS.—In Public Works Department resolution No. 36 A. E., dated the 9th February 1893, revised rules were laid down for the re-organization of the Superior Establishment of the Accounts Branch, Public Works Department, and the Government of India introduced a new classification of officers and modified rates of pay.

2. The Government of India have since had under consideration the question as to whether officers appointed under the above resolution to the Superior Accounts Branch should be entitled to the local allowances admissible under Public Works Department code, volume I, chapter I, paragraphs 29 and 30 and appendix Y., to those appointed under the old rules. The conclusion arrived at is that they should not be granted these local allowances because the rates of pay drawn by them are those in force for the Enrolled Officers of the Finance Department who are not entitled to the local allowances in question.

RESOLUTION.—The Government of India are pleased to decide that officers appointed to the Superior Establishment of the Accounts Branch, Public Works Department, under the revised rules promulgated under Public Works Department resolution No. 36 A. E., dated the 9th February 1893, shall not be entitled to any of the local allowances detailed in Public Works Department code, volume I, chapter I, paragraphs 29 and 30, and appendix Y.

ORDER.—Ordered, that this resolution be forwarded to the Local Governments and Administrations and officers noted in the margin, for information and guidance; also to the Department of Finance and Commerce for information. Also to the Accountant General, Public Works Department, for information and guidance, with reference to his letter No. 801 E., dated the 21st April 1893.
