ENCLOSURE.

EXTRACT paragraphs 1 to 3 and 5 from a Despatch from Her Majesty's Secretary of State for India, No. 231 (Financial), dated 17th November 1892.

I have considered in Council your letter, dated the 12th of October, No. 283, relative to the interpretation of the authority given in my predecessor's despatch of the 25th of June 1891, No. 125, for the grant of minimum rates of absentee allowance to officers on sick leave.

2. The view taken in that despatch was that persons whose health may have broken down in India, and who are ordered by a Medical Board to seek the restoration of their health in a temperate climate, have a claim to such a moderate rate of absentee allowance as may enable them to avail themselves of the leave ordered for them; and this claim does not appear to me to be affected by the fact that the officer whose health has broken down is granted leave for which he would have been eligible without a medical certificate.

13TH JUNE 1893, No. 563, FINANCIAL.

3. In all cases, therefore, in which the Government or other authority granting the leave is satisfied that the state of an officer's health compels him to proceed to a temperate climate, the minimum rates of absentee allowance sanctioned for sick leave should be conceded; and if the leave is not technically sick leave, the fact that it was granted on the report of a Medical Board should be noted in the leave and pay certificate.

5. I request that you will give instructions for the transmission of amended leave and pay certificates for all officers whose absentee allowances are affected by this ruling, and who may have left India before the issue of orders by your Government under this despatch.
