Sir, I beg to report that I feel very great
inconvenience in living in the Village.
The Sub Division Officer's Bungalow is
nearly half completed and I propose
to remove myself to it from the 10th
Instant, I think that I can be a little
more convenient even in a half finish-
ed building than in my present place,
and beg to request permission to do
so. With regard to the rent I beg
that a rate of Rs 10-0-0 may be
fixed till the building is finally
completed.

True copy forwarded to the
Superintending Engineer S. Field
for orders. There is no objection to
the Sub Division Officer occupying
the completed portion, but as
the rent of the entire building
is Rs 22. Sanction of Government will
I presume be required to the arrange-
ment.

No. 222 A. d/ 30.6.93.

To W.

There is no rule under which remission of rent is admissible in the event of an incomplete building being occupied, but as under the P.W.D. rules rents are calculated on the cost of buildings there does not seem to be an objection to the occupant paying rent calculated on the cost of the portion of the building available for occupation. The Executive Engineer should however report to the Examiner as soon as the whole building is available for occupation, in order that the full rate of rent may be brought into force from date of completion of the building.
