PROCEEDINGS OF THE MADRAS GOVERNMENT

READ the following paper :—

From the Inspector General of Police, Madras, dated
3rd June 1893, N^o 366.

In submitting the accompanying copy of letter from the Superintendent of Police, Kurnool, I have the honor to request the sanction of Government for the construction of a new Police Hospital at Kurnool. The accommodation in the present Hospital which is located in the Southern portion of the District Office building is bad and quite inadequate. I fully agree with the Superintendent in considering that a new Hospital is absolutely necessary.

2. Since the date of the Superintendent's letter, some time has elapsed in selecting a proper plan at a moderate cost and getting estimates prepared by the Public Works Department. The plan of the existing Hospital seemed to me simple and inexpensive and the estimate prepared on the same lines costs Rs 7,530.

3. The requisition for the estimate was made prior to the date of the G. O. N^o 2806 W dated

7th October 1892 but the Public Works Depart-
ment requires now the sanction of Government to
the proposal to construct a new Hospital before
dealing with the estimate finally and sub-
mitting it to Government. I beg therefore that
Government will be pleased to accord the
required sanction to the proposal and treating
the work as urgent to provide funds therefor
as follows the work having been omitted to be
included in the statement of my requirements
for the current year.

Rs 1570 - the provision made for converting
the old barracks into Police office
at Calcuttah which sum is
available, the work having been
finished in 1892-93.

Rs 6000 - from the provision made for Police
office at Anantapur the estimate
for which was returned by Govern-
ment and is under revision, as it
is probable that the whole amount
provided for this work Rs 20640 will
not be required during the current
year.

Total Rs 7570
