GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

Read—the following paper:—

From the Quartermaster-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 19th June 1893, No. 1198 M.W. (Accounts—Budget Estimate).

Adverting to Proceedings of Government, No. 356 of 19th January 1893, communicating the decision of the Government of India that the former practice in regard to the administration of grants for minor and petty military works should be reverted to from the commencement of the current financial year, I am to say it is presumed that the grant for this purpose placed at the disposal of the Military Department in this year's military works budget estimate for distribution to General Officers Commanding Districts, &c., is intended to meet the cost of all minor works, including those, the cost of which varies between Rs. 500 and Rs. 2,500.

2. I am at the same time to inquire whether estimates for minor works, referred to in the latter part of the preceding paragraph, require the sanction of Government in future. The procedure regarding the disposal of such estimates is laid down in paragraph 4 of the Director-General of Military Works' letter, embodied in Proceedings of the Madras Government, No. 6464 * of 16th November 1891, and the Provisional Commander-in-Chief recommends that a similar procedure be followed in future, except that, after the estimate has been sanctioned by the Public Works Superintending Engineer, he should send the same to the General Officer Commanding for an allotment of funds instead of to the Chief Engineer, Military Works, as formerly.

No. 4158, Military.

Transferred to the Public Works Department, for favour of disposal, with reference to the Proceedings of Government noted below:—
