Sir,

Go no 826 W
28/3/94

With reference to my indent No. 6 C. E. dated 21st March 1894 for new jaw required for the Penjar workshop Stone breakers, I have the honor to report that the General Superintendent Public Works Workshops has shown me some very hard cast iron which he has in stock and from which he says that he can cast the required jaws for half the price of those indented for from England. Under these circumstances

and if the indent
mentioned has not
yet been forwarded to the
Home Government for con-
-pliance, I beg that it may
be cancelled and that I may
be informed accordingly with
a view to procuring the jaws
from the Presidency workshops.

I have the honor to be
