Sir,

With reference to rule (3), paragraph 17, chapter XI, Public Works Code, I am directed to request the sanction of the Government of India to the construction of a residence at Ramnad for the Head Assistant Collector at an estimated cost of Rs. 11,000.

2. There being no suitable accommodation at Ramnad, this Government has approved a proposal to construct a residence for the Head Assistant Collector on the standard design for such buildings, but, owing to the remoteness of the locality and consequent high rates, the estimate exceeds the limit prescribed in the code rule above quoted. The rent of the proposed building will be about Rs. 77 * per mensem, while 8 per cent. of the salary of a Head Assistant Collector (Rs. 768-5-4) is about Rs. 61. The rent of Rs. 77 per mensem is, however, very slightly in excess of the limit of 10 per cent. of salary which can be levied under rule II, paragraph 28, chapter XI, and I am to express a hope that the Government of India will sanction the proposal.
