Letter from the Executive Engineer

No. 115.

In G.O. No. 886 W. dated 7-3-92
a rent of Rs 12 per month has been
sanctioned for the Southern Sub Division
Office of this Division
2. The Sub Division Officer brings
to notice that the present building
is nearly two miles away from his
residence in the town, and much
time is wasted in sending papers to
and fro from his residence, and
proposes to rent the building which
was vacated recently by the Revenue
Survey Department for Rs 15 per month,
on the ground that the building in
question is situated within a quarter
of

of a mile from his residence and
that of the Overseer.

3 The Overseer's Office also will be
accommodated therein.

4. In these circumstances I have
the honor to request that you will
be good enough to obtain sanction of
Government to the proposal.
