14. The net debit to Provincial Civil Works on account of Establishment as shewn in the preliminary budget was Rs 5,43,045. This debit has been increased to Rs 6,52,502 in the final budget in consequence of a reduction in the allotments under other funds for which works are carried out by the Provincial Establishment and a corresponding reduction under the head of contributions.

15. With reference to letter from the Govt of India No. 132 A. C.W. dated 6 July 1892, appendix C will be submitted as a separate

the conservation of archæological works. Detailed proposals for utilising the amount should be submitted by Supdtg Engineers as early as practicable.

9. The allotments provided in the budget for Agency works in the Vizagapatam District will be placed at the disposal of the Agent to the Governor in separate Proceedings.

10. The grants applied for by the Chief Engineer, Military Works Madras Command for expenditure on minor works and repairs at Bangalore and Wellington have been provided in Part II.

11. Superintending Engineers will make proper arrangements for the early submission of plans and estimates for the unsanctioned works provided with allotments. No expenditure should be incurred on those works until the estimates have been sanctioned by competent authority.

This has been rendered necessary owing to reappropriations of funds having since been sanctioned for the items in question in 1893-94.

7. The amount required for incomplete works will be provided from the reserve on receipt of detailed proposals from Superintending Engineers and the Consulting Architect. These should be submitted as early as possible.

Adverting to para 2 of the Inspector General's letter in regard to the entry of an allotment for alterations to the District Jail at Cuddapah it is observed that the work was brought forward by the Inspector General himself in the list submitted with his endorsement No. 4504 dated 29th September 1893,

× No. 680 of 16. March/94

The allotment proposed for this work is Rs 50,000. As the reserve has been considerably reduced by the increased debit to Establishment and is barely sufficient to meet the demands for incomplete works no provision can be made for this work
