

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Inspector-General of Police, Madras,
dated 12th April 1894, N^o 1952.

I have the honor to solicit the
sanction of Government for the purchase of the
house occupied by the Assistant Superintendent
of Police, Narsapur, Godavari District.

2. The Assistant Superintendent
of Police recently reported that the owners of
the above property had entered into negotiations
for its sale to Government as a District Munsiff's
court for Rs 10,125. In reply to a reference on the
subject, the District Judge informed the Super-
intendent of Police, that he knew of no such
proposal. The evident intention however of
the owners is to sell the house if possible and
this being the case, I feel impelled to address
Government in view to securing it for this
Department at the price named lest some
time or other it may be disposed of without

our

3. ~~There is~~ ^{our having the opportunity of purchasing it} The house itself is a very good one indeed and well worth the money asked for it; moreover it is absolutely the only suitable dwelling house for a European officer in the place. It has been occupied by this Department for many years, the rent charged for it being Rs 50, of which sum Rs 13 is paid by Government for a bungalow in the compound used as the Sub Division Office. If the house were to pass out of the hands of the Police this bungalow forming part of the property would go with it and there is scarcely any other place in the Village which would suffice for office accommodation.

4. In these circumstances, I beg that Government may be pleased to sanction my proposal and if sanctioned, that orders may be issued in the D. P. W. for the preparation of a survey and valuation report.

Order, 28th April 1894, No 1016.

Before approving the
Inspector General's proposal, the Government wishes
to have the survey and valuation report of the
house for sale. The necessary orders for the
preparation of the same will issue in the Public
Works

Works Department.

2. The valuation report should be kept confidential.
