READ—the following papers :—

From H. IRWIN, Esq., C.I.E., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepauk, 24th January 1894, No. 2987.

With reference to G.O., No. 2551, dated 10th October 1893, I have the honour to report that the Deputy Collector's office has already occupied a portion of the old High Court buildings and the old Police Court building has been taken charge of by this division. I beg to solicit orders as to the disposal of this building. If it is not wanted for any public purpose, the premises might be sold, as the cost of maintenance and municipal taxes would have to be met and it will also be necessary to employ a watchman to look after it.

Proceedings of the Board of Revenue (Land Revenue), dated 2nd April 1894, Mis. No. 1730.

Read—endorsement of the Acting Under Secretary to Government, Revenue Department, dated 13th February 1894, Mis. No. 617.

Reference thereon, dated 20th February 1894.

Forwarded to the Collector of Madras for early report.

Read—the following letter from the Hon'ble Mr. W. P. AUSTIN, Collector of Madras, to the Secretary to the Commissioners of Land Revenue, dated Madras, 19th March 1894, Ref. No. 936-Genl. :—

Adverting to the Board's Reference on Government Register No. 363 of the 20th ultimo, the enclosure to which is returned, I have the honour to report that a list was obtained from the Accountant-General showing the Government offices and schools occupying private buildings in this district. From this list—copy of which is enclosed—it seems to me none of the offices in private building could conveniently be moved into the old Police Court buildings for the following reasons. The building having already been condemned as unsuited and incommensurate for an office, the location of any Government office there seems to me out of the question. Apart from this general remark and dealing *seriatim* with the important offices borne on the list referred to, I would submit first as regards the Madras Survey Office. It has just changed office at much Government expense and evidently on the condition of occupying the present premises on the Mount Road for a definite number of years, so that it cannot utilize the old Police Court buildings. The offices of the Inspector-General of Registration and the Registrar of Madras come next in importance, but

for these, the present General Stamp Office building will be made available after it has been vacated by the Stamp and Stationery Departments. The Surgeon-General's office, which pays the next highest rent, is now located at Nungumbakum, but on sanitary and other grounds it may not be desirable to move it to the crowded and uninviting locality referred to. The other petty offices, &c., will obviously have to be left out of consideration, as none of them would require so large a building. The best thing would therefore be to put the building and the land to auction. On the basis of the present municipal annual valuation, the capitalized value of the building at 6 per cent. is Rs. 50,000, but owing to its situation it may not realize even this figure when actually offered to sale.

Resolution—dated 2nd April 1894, Mis. No. 1730.

The Madras Collector's letter read above will be forwarded to Government in reply to its endorsement, Mis. No. 617, dated 13th February 1894. The Board concurs with the Collector that the old Police Court buildings are unsuitable for any of the offices at present located in rented buildings and that the premises had therefore better be sold.

With reference to paragraph 2 of your memorandum No. 4395-C., dated 20th December 1893, I have the honour to submit herewith a statement received from the Executive Engineer, Ganjam division, furnishing details for the lump sum allotment of Rs. 19,820 applied for in my budget estimates for the Court of Wards' estates for the year 1894-95.

Copy of the statement is forwarded to the Court of Wards with reference to paragraph 2 of Memorandum No. 4395-C., dated 20th December 1893.

Endorsement by C. A. GALTON, Esq., Secretary to Government, Revenue Department, dated Fort St. George, 2nd March 1894, Mis. No. 901.

Forwarded to the Court of Wards.

RESOLUTION—dated 4th April 1894, No. 7.

Communicated to the Collector of Ganjam, who is requested to place the requisite amount at the disposal of the Public Works Department from the funds of the estates concerned and to make the necessary provision in his budgets for the next fasli. In submitting the budgets, the Collector should explain the necessity for the several works proposed and should state what profit is likely to accrue to the estates concerned from the outlay proposed.

2. From the papers recorded in Court's Proceedings, Mis. No. 120, dated 26th January 1894, it appears that the Collector did not approve of the erection of a compound wall round the Bodogodo palace. The sum of Rs. 3,000 is, however, provided for the purpose now. This point should receive particular attention when the budget of the estate is sent up.

3. All Collectors in charge of Wards' estates are requested to submit their budgets for the ensuing fasli punctually, accompanied by a list of works proposed to be carried out. In regard to works which are within the Collectors' sanctioning power, lump amounts may be entered in the lists, while in the case of those requiring the Court's sanction, details should be given together with approximate information as to when plans and estimates therefor may be expected in the Court's office: these should, as far as possible, be submitted sufficiently early in the fasli.

If any of the works have to be executed by the Public Works Department, the fact should be stated and the necessity therefor fully explained, so that the requisite application may be made to Government.
