I have the honor to request that permission may be given to Commence work on the Repairs to District Munsiff Court, Bundar, in anticipation of allotments of funds. It is very advisable that the work should be put in hand and completed if possible before the rains and it will also be convenient to the Munsiff to have the work done during the recess which ends on 14th June. Some parts of the verandah roof are in a dangerous state and require immediate renewal.
