No. of ENCLOSURES.

Subject.

Soliciting the order of Govt. for fixing the rent of the room No. 12 in the Vakil's Chambers of the High Court buildings now converted into a lavatory for the use of the Vakil's occupying Chambers.

For orders whether rent should be charge for the room in question, or whether it may be regarded as a general waiting room reserved for the use of vakils free of charge.

I think the room might be given free of charge. It is a very small matter & in such cases it wd. be better in future to spread the charge for accommodation such as this or waiting rooms over the other rooms on which rent is charged.

The monthly rate of rent fixed for each room is Rs 15/- but as the rent for the lavatory room will, it is expected, vary according to the number of chambers occupied each month, it is for the Government to decide whether the valuation as a matter is to have the use of the room free of charge or not.
