5. Under these circumstances, I beg that the construction of a 1st Class Station house at Waltair may be sanctioned and that prior to the preparation of the regular estimate and plan by the P.W.D. the above cost of site may be passed as the estimated cost so that steps may be taken in the Revenue Department for its acquisition for, if this be not done at once, I fear that the site may be otherwise disposed of.

6. The proposed work was included in Supplemental List A referred to in G.O. No. 2487 J. D. dated 28th November 1893.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Inspector General of Police
d/ 12th April 1894, No. 1953.

I have the honor to solicit the sanction of
Government for the construction of a 1st Class
Station house at Waltair in the Vizagapatam
District.

3. Waltair with its large work shops and Railway
Offices is the most important Station on the East
Coast Railway. It is likely to become a very large
centre of business. The present strength of the Police
at the station is 7 men but this will have to be
shortly increased. A station to accommodate 12 men
is necessary.

4. Land at Waltair has already become expensive
and it is warranted ere long to become more so.
A good site (shown in its accompanying plan) is
available at present for a station house and lines.
It is owned by Sri Raja G. K. Gajapati Rao who
demands Rs 869-10-0 for it including the rough
stones, bricks &c of the walls of a ruined shop thereon.

* as well as Parade
ground.

After the expiry of the notice and some correspondence with the Eastern Sub Divⁿ Officers, these plot-holders refused to vacate or to pay the penal rent of Rs 1/- per day leviable under Rule No. III.

All the plot-holders have signed agreements on stamped paper binding themselves to observe the conditions and rules laid down. A copy of these conditions was forwarded to you with my No. 647 Sd/ 29.1.92.

I have therefore the honor to request that you will obtain the sanction of Government to enable me to bring a Civil suit against the parties concerned for the recovery of the penal rent of Rs 1/- per day until they vacate their plots. I have no wish to be hard on the men. I have spoken to them personally and through my subordinates without any effect and

and I consider it is necessary to proceed to extreme measures if the conditions on which the plots are rented, are not to become a dead letter.

No. 252 Ms.

Forwarded to the Chief Engineer, P.W. Department, for favor of obtaining the sanction of Government to file a suit in the Civil Court against the parties concerned to recover the penal rent of Rs 1/- per diem till the plots are vacated by them.

From the Executive Engineer, Kistna
Western Dy., to the Supg Engineer, 2nd Circle,
dt 24th April 1894. No. 375.

In my No. 5655 25.10.92 I reported that
some of the plot holders at Sitamagaram
had opened shops and sublet part
of their plots and gave my reasons
for objecting to this practice.

In your No. 1873 R.S. 28.10.92 you approved
of notice to vacate being given to the
plot holders concerned.

I was very busy at the time and
did not take immediate action
and when I was on leave in January
1893, Mr. Gopalakrishna Iyer instructed
the Eastern Sub Division Officer to give
6 months notice to vacate and notice
was accordingly given.

The question came before me again
in August 1893 when I found that
under Rule 2 (2) of the Conditions the
notice should have been given by
the Engr. Engineer and not by the Sub
Division Officer; so to avoid being
thrown out on a technicality if the
cases came into Court, I cancelled
the previous notice and issued a
fresh 6 months notice to vacate, to
the holders of plots 1 to 8 & 12 as shown
below
