Order. 11th May 1894, N^o 855 Lnis.

The budget having been finally issued, no alterations can be made in the actual Order, but the Government has no objection to treating the President's letter as a supplemental budget. The alterations suggested will be made and the proposal contained in para. 5 will be approved.

2. The contribution to the Public Works Department for the scrutiny of local Fund Plans and Estimates was fixed with reference to G.O. dated 10 January 1894, N^o 22 L. This was communicated to all Presidents of District Boards and Mr. Rees should have pointed out any inaccuracy in the estimates contained therein.

namely of the Training Hospital Assistant, Nellaacotta whose services have now been dispensed with, as directed by para. 2 of the L.O. under reply. The estimated income from sales of toll-bars for the coming year was fixed at Rs. 36,000, but as reported to Comr. in letter N^o 372 dated the 21st March 1894, the income realized by actual sale was Rs. 39,765 (i.e.) an increase of Rs. 3,765.

The anticipated receipts may thus be fixed at Rs. 1,51,345 or Rs. 1,51,350 in round numbers.

3 Charges.

The estimated Local Fund charges are fixed at Rs. 1,41,740.

The one-third contribution to Provincial Funds, payable on the income realized from the sale of the three Provincial Toll Bars for the current year was fixed at Rs. 7,680. But as the actual income realized by the sale of the three Provincial Toll Bars is Rs. 25,650, the one-third contribution payable is Rs. 8,550 or an increase of Rs. 870. The expenditure should thus be raised to Rs. 1,42,610.

4.

4. The estimated balance at the end of the year would thus be Rs. 89,350 or Rs. 87,400 in round numbers.

5. I beg to suggest that the balance may be fixed at Rs. 63,400, as now passed by Comr. and that the difference of Rs. 24,000 (87,400 - 63,400) may be placed under Reserve, under which no provision has now been made, so that the Board may be in a position to allot funds therefrom without reference to Comr., when circumstances imperatively demand, e.g. for Cholera services &c.

6. I take this opportunity to enquire how the contribution to the Public Works Department for the scrutiny of Local Fund Plans & Estimates was fixed at Rs. 490. A gross allotment of but Rs. 10,000 is alone provided for "new Works" and the amount of contribution payable thereon at 2½ per cent would apparently be only Rs. 250, on the value of the estimates to be submitted to the Superintending Engineer for scrutiny.

From the President, District Board, Nilgiris, dated 7th April 1894 N^o 511.

I have the honor to acknowledge the receipt of G.O. N^o 596 & dated the 29th March 1894, reviewing the Nilgiri District Board's Budget for 1894-95, a proof copy, and in case corrections should be deemed advisable before the Order is finally issued, beg leave to submit the following remarks:—

2. Receipts.

The estimated Local Fund Receipts for 94-95, as passed by Govt., are fixed at Rs. 1,48,080. But of this sum, Rs. 500, out of the provision of Rs. 600, expected to be realized as contributions from Private Individuals [3 Medical], should be cut out, inasmuch as no contributions will be paid by the residents of Wynnad towards the maintenance
