Resolution:-

Submitted to Government for favourable consideration. The Assistant Commissioner has not reported why the Bungalow is going to be sold by auction by the Collector instead of being handed over to the Department of Public Works as required by Board's Standing Order No. 188 (Revised Edition). As the building is reported to be suitable for an office and residence for the Assistant Commissioner, the Board begs to be informed whether it can be transferred to the Salt and Abkari Department. The house rent now paid to the Assistant Commissioner (Rs 46-2-6) per mensem which represents a Capitalised amount of Rs 13,847. will in that case be a saving to Government. The Board has, in anticipation of the orders of Government ventured to send the following telegram to the Collector of Nellore and trusts its action will be approved.

" Please postpone auction sale of Railway Bungalow at Nellore advertised for 10th pending orders of Government "

Order thereon

Order thereon 19th April 1894. No. 1515 Mis.

The Board's action in telegraphing to the Collector to postpone the sale of the Bungalow is approved.

2. The Public Works Department will be requested to state whether there is any objection to the transfer of the Bungalow to the Salt and Abkari Department and to forward a plan of the building.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Proceedings of the Board of Revenue
 Separate Revenue dated 7th April 1894
 No. 1498 on the following letter from
 the Assistant Commissioner, Bellore
 Subdivision dated 6th April 1894, No. 885
 to the Deputy Commissioner, Central Division.

I have the honor to inform you
 that there is a large Bungalow in this
 station called the Railway Bungalow
 which belongs to Government and which
 the Collector intends selling by auction
 on the 10th instant.

2. This Bungalow will do well for
 the Assistant Commissioner's office
 and dwelling-house and I beg to recom-
 -mend that the Board be moved to write
 to the Collector to postpone or cancel
 the sale and to hand the house over
 to this Department instead.

3. It will require a little repair,
 but in the end there will be a large
 saving to Government in the shape
 of house rent.
