Proceedings of the Board of Revenue (Land Revenue), dated 10th May 1894, Mis. No. 2569.

Read—the following letter from C. J. WEIR, Esq., Acting Collector of Ganjam, to the Secretary to the Commissioners of Land Revenue, dated Chatrapur, 27th April 1894, R.C. No. 1496-Eng :—

I have the honour to state that, out of the famine tools supplied to the Deputy Tahsildar of Tekkali during the famine of 1889-90, the marginally noted two tools, valued at Rs. 2-14-2, having been

reported to be still outstanding against the Deputy Tahsildar, he was ordered by me to send back the instruments to the Executive Engineer or to remit their cost to him, collecting the same from the officer responsible if they are not forthcoming. These two tools are not now forthcoming in the Deputy Tahsildar's office, nor do any lists of tools then supplied and returned seem to have been maintained in the office from which it could be ascertained how these articles were disposed of. The then Head Gumastah of the office whose duty it was to keep proper accounts of the tools is now dead, and of the two Deputy Tahsildars who were, during the famine, successively in charge of the office, one, D. C. Appiah Naidu, was some time ago dismissed from public service, and the other, N. V. Ranganadham Pantulu, is now under suspension, having been lately prosecuted for the embezzlement of famine money. In these circumstances, the present Deputy Tahsildar remitted Rs. 2-14-2 to the Executive Engineer from his permanent advance and requests approval of his action. The proper course would have been to get the Public Works Department write off their accounts the tools lost; but the Executive Engineer, who was requested by me to remit back the money to the Deputy Tahsildar, writes to say that the amount has already been credited to his accounts and cannot be now refunded without the sanction of Government. I therefore request the Board's sanction to the charge incurred by the Deputy Tahsildar.

Resolution—dated 10th May 1894, Mis. No. 2569.

Submitted for the orders of Government.

2. In the circumstances reported, the Board recommends that the value of the tools lost, viz., Rs. 2-14-2, be ordered to be written off the accounts and that the amount erroneously paid by the Deputy Tahsildar out of his permanent advance be refunded to him by the Public Works Department.

Sir,
I have the honor to state that out of the Famine tools supplied to the Deputy Tahsildar of Tekkali during the Famine of 1889-90 the marginally noted 2 tools valued at Rs 2-14-2 having been reported to be still outstanding against the Deputy Tahsildar, he was ordered by me to send back the instruments to the Executive Engineer or to remit their cost to him collecting the same from the officer responsible if they are not forthcoming.
