GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following paper:—

G.O., dated 26th December 1893, No. 4869, Revenue.

Read—the following paper:—

G.O., dated 2nd December 1893, No. 2526, Judicial.

Read—letter from the Agent to the Governor of Vizagapatam, dated 11th August 1893, No. 1477.

Read—the following letter from the Inspector-General of Police, dated 2nd November 1893, No. 6374:—

2. In this connection I beg to state that all Collectors were specially requested by this office circular letter No. 2023, dated 14th April 1893, not to take any steps for acquiring land for this department under the Land Acquisition Act without a copy of the order of competent authority sanctioning the estimated cost of the land. But as this point seems still to be overlooked, I beg to suggest that Government may be pleased to order that, in forwarding draft notifications for the acquisition of lands, Collectors should quote the authority sanctioning the estimated cost. I have directed officers of my department not to apply to the Revenue Department for the acquisition of any land before its cost is sanctioned by competent authority.

Order—

Recorded.

2. The Inspector-General will note that paragraph 1 of G.O., dated 6th May 1891, No. 408, Revenue, requires that lands newly wanted for public purposes shall in every case be acquired under the Act. No fresh gift of land should be received from the Patro, but there is no necessity to now acquire under the Act lands previously granted as a free gift.

3. The question of issuing general instructions to Collectors to quote authority when submitting draft notifications under the Act will be considered in the Revenue Department.

Order—dated 26th December 1893, No. 4869, Revenue.

With reference to paragraph 3 of the order read above, the Government directs that in future, in submitting draft notifications under the Land Acquisition Act which have been ordered to be in the form prescribed in G.O., Mis. No. 6110, dated 9th October 1890, the additional information now referred to be furnished in the last column, the heading of that column being altered into "estimated cost of the land to be taken up and the authority sanctioning it."
