GOVERNMENT OF INDIA.  
PUBLIC WORKS DEPARTMENT.

GENERAL.

RESOLUTION.

Conditions of promotion of Honorary Commissioned Officers to the  
Provincial Engineer Service of the Public Works Department.

Simla, the 23rd May 1894.

Read—

Government of India, Public Works Department, Resolution No. 1664-G., dated  
26th June 1893.  
Despatch to Her Majesty's Secretary of State for India, No. 331 Financial, dated  
11th October 1893.  
Despatch from Her Majesty's Secretary of State for India, No. 4 Public Works,  
dated 11th January 1894.

RESOLUTION.—In the orders on question VI referred to in the Resolution  
cited in the preamble regarding promotions to the Provincial Service of the  
Engineer Establishment of the Public Works Department, it was stated that  
orders would issue hereafter regarding the promotion of Honorary Commissioned  
officers to that service.

Under present rules such officers are on promotion to honorary rank in the  
army graded as Assistant Engineers in the Public Works Department (*vide* Public  
Works Code, Vol. I, Chap. II, paragraph 58), but are counted against the Upper  
Subordinate Scale, and their pay is regulated by the rules applicable to military  
men (Public Works Code, Vol. I, Chap. I, paragraph 13, note 1, and Chap. V,  
paragraph 41).

The Governor General in Council is hereby pleased, with the concurrence  
of Her Majesty's Secretary of State for India, to order that Honorary Commis-  
sioned officers holding the rank of Deputy Commissary, Assistant Commissary  
and Deputy Assistant Commissary shall be eligible for promotion to the Pro-  
vincial Engineer Establishment; but that on being so promoted at their option,  
they shall, like Warrant and Non-Commissioned officers below the rank of Deputy  
Assistant Commissary, be required to resign their military rank under clause (3)  
of Article 388 of the Civil Service Regulations, and then be permitted to count  
their departmental service for a civil pension.

On being so promoted, they will be subject to the rules laid down in  
the Resolutions\* quoted in the margin, so far as they  
are applicable, and will draw the difference between  
the pay of the grade to which they are promoted and  
the staff pay and military allowances previously  
drawn by them as a personal allowance.

\* No. 2112-G., dated the 19th July  
1892.  
No. 1654-G., dated the 26th June  
1893.

2. It should, however, be clearly pointed out to each officer who may  
accept promotion on these conditions that his non-departmental army service  
will not count for pension, and that he forfeits his right to a sterling pension  
under military rules, and also to a possible pension for his widow.
