Resolutions.

Submitted to Government with reference to correspondence ending with G.O. dated 11th July 1890, N^o 4272 this Revenue Department.

Order.

The Government considers Rs at there

is no need to spend so large a sum as Rs 32,000 on offices for Deputy Tahsildars at Suchi Small and out-of-the-way places as Tangacheri and Anjengo. The cost of the proposed buildings can be considerably reduced (1) by dispensing with three sides of the quadrangle provided in the standard design, retaining only the side marked clerk's room, Court, Private room and Inspector's room with a verandah running all round and (2) by converting the private room and the Inspector's room, which are apparently not required, into a record room, the walls between the two rooms being either removed or turned into an arch.

2. The plans and estimates submitted by the Board will be returned for revision in accordance with the above remarks.

Read also the following Proceedings of the Board of Revenue, Land Revenue, dated 12th December 1893, No 6667 this on letter from the Dy. Collector of Malabar dated 22nd November 1893. No. 1545 B. -

Resolution

The revised plans and estimates for constructing Deputy Tahsildars' offices at Angiro and Tangacheri called for in G.O. dated 10th July 1893 No 2534 are submitted to Government with reference to G.O. dated 3rd November 1893, No 3986.

2. ^{10/11} The revised estimates have been reduced from Rs 31,740 to Rs 18,280.

3. The Collector and the Superintending Engineer point out that additional accommodation is needed in both the offices for Subjails and for Police guards. The Deputy Tahsildars in both the places are also registering officers and one of them moreover exercises the powers of a District Munsiff. The Board therefore recommends that orders may be issued for providing additional accommodation in the new buildings as follows.

- 1 Sub jail with 2 wards.
- 2 One room for Police
- 3 One room for Registration Department
- 4 One room for securing attached property etc.

Order thereon, 9th January 1894, No 19. M.

The Board's recommendation in para 3 of its Proceedings read above is approved. Orders will issue in the Public Works Department for the preparation of revised plans and estimates. (Done Locetact)
