Mahomed Razakkan Saheb Bahadur
Acting Subcollector Malleiwa.

To The Collector of Nallewa.

Sir,

I have the honour to reply as follows to your Ref No 2777/ver dated 27th November 1893.

2. In this Office letter No 449 dated 3 October 1881, it was reported Customs Office building at Kottapatana was quite out of repairs and useless and that it was therefore necessary to remove the Office to a rented building till the Office building was thoroughly put in order. Thereupon the Board's sanction to rent as house at Rs 2 per mensem having been granted vide B.P. No 9432/ver dated 24th October 1881, the Office of the Superintendent was removed to a rented building which is still occupied for the purpose.

3. In this Office letter No 215 C/R

[illegible] 1890 [illegible]
Surr Hammett for reasons therein stated
recommended that the building might
be dismantled and the materials
sold by public auction, observing at the
same time that the site of the present building
was not suited for the Office. Thereupon
You were pleased to address letter
No 133 dated 25th April 1890 to the Exe-
cutive Engineer Nellore, to take charge
of the building and it was accordingly
done on the 11th June 1890.

4. The building in question is not
only in a very dilapidated condition
but also is situated in a place quite
unsuited for the Office as observed
by Surr Hammett. It being too close to
the sea shore strong gust of wind &c
merges it into sand and even if
repaired it is not at all spacious enough
to contain the Office records

I have the honor &c

Sir,

With reference to para 20, Chapter XI P.W. Code, I am directed to request the sanction of the Government of India to the sale of the materials of a building known as the Sea Customs House at Kottapatam in the Kellore district.

2. The building was constructed in the year 1870

(40—2,000—11-10-93.)

and is classified as Imperial. It has been vacant since October 1881 having been found unsuitable for the Sea Customs office both as regards size and locality, and has fallen into a dilapidated condition. It is not now required for any public purpose.
