ORDER—dated 30th April 1894, No. 1087 W., Public Works.

The revised and budget estimates of revenue and expenditure under Provincial Civil Works for 1893–94 and 1894–95 respectively, as shown in the statement annexed to the resolution of the Government of India recorded above, have been adopted in the final issue of the budget.

2. The revised estimate of charges for 1893–94 adopted in the preliminary budget amounted to Rs. 22,72,040, but the modification of grants subsequently sanctioned reduced the amount to Rs. 22,70,468. The Government of India having passed the estimate for Rs. 22,70,000 in round figures, a reduction of Rs. 468 has been made in the grant under "Stock and Suspense."

3. The budget estimate of charges for 1894–95, as shown in the preliminary budget, amounted to Rs. 24,25,000. The Financial Department having since reduced the assignment by Rs. 1,16,000, the allotments provided for items 6, 9, 12, 14, 17, 19, 20 and 23 of the preliminary budget have been withdrawn and the grant for the supply of tents to Public Works officers has been reduced by Rs. 13,000.

4. The transfer of funds proposed by the Superintending Engineer, I Circle, in his letter No. 2708 G.D., dated 18th March 1894, has been sanctioned and adopted in the budget.

5. The alterations referred to in the letter from the Inspector-General of Jails No. C/530, dated 5th March 1894, communicated with the Proceedings * of the Judicial Department recorded above, have been carried out, but it has not been possible to provide an allotment for the new jail at Cuddalore as recommended. Adverting to paragraph 2 of the Inspector-General's letter in regard to the entry of an allotment for alterations to the District Jail at Cuddapah, it is observed that the work was brought forward by the Inspector-General himself in the list submitted with his endorsement No. 4504, dated 29th September 1893, and as it appeared from the accounts that there was an unspent balance of estimate of Rs. 5,325, that amount was provided in the preliminary budget. The amount has now been withdrawn.

* No. 680, dated 16th March 1894.

6. The grants for items 7, 22, 53, 55, 57, 63 and 83 of the preliminary budget have been reduced and those for items 33, 42, 52 and 96 increased so as to accord with the unspent balances of the sanctioned estimates. This has been rendered necessary owing to reappropriations of funds having since been sanctioned for the items in question in 1893–94.

7. The amount required for incomplete works will be provided from the reserve on receipt of detailed proposals from Superintending Engineers and the Consulting Architect. These should be submitted as early as possible.

8. A sum of Rs. 600 has been reserved in the budget for the conservation of archæological works. Detailed proposals for utilising the amount should be submitted by Superintending Engineers as early as practicable.

9. The allotments provided in the budget for Agency works in the Vizagapatam district will be placed at the disposal of the Agent to the Governor in separate Proceedings.

10. The grants applied for by the Chief Engineer, Military Works, Madras Command, for expenditure on minor works and repairs at Bangalore and Wellington have been provided in Part II.
