Churches and Cemeteries

Proceedings, Ecclesiastical Department, regarding certain additions made to the final list of — to be repaired by the Public Works Department, communicated to officers concerned with remarks.

6. I would also suggest that the names or other particulars of the Government cemeteries at Madras and Bangalore, for the repair of which the Public Works Department is responsible, be ascertained from the Archdeacon in order that the Standing Order may be complete.

No. 5325 C.

Copies forwarded to the Ecclesiastical Department in view to the Venerable the Archdeacon being requested to give the information asked for in the Examiner's office-note No. 7139, dated 18th November 1891.

2. It seems desirable also that the Roman Catholic Archbishop of Madras and the Senior Chaplain, Church of Scotland, should be asked to furnish lists of Government churches and cemeteries, for the repairs of which the Public Works Department should be responsible.

26th November 1891.

G.O., dated 4th January 1892, No. 1, Ecclesiastical.

Read—the following paper:—

From the Acting Senior Chaplain, Church of Scotland, Madras, dated 18th December 1891, No. A-64, submitting a list of churches and cemeteries for the repairs of which the Public Works Department should be responsible.

List of Government churches and cemeteries connected with the Church of Scotland in the Presidency, for the repairs of which the Public Works Department should be responsible.

CHURCHES.

Madras.—St. Andrew's church and out-buildings (clerk's house and church godowns) therewith connected, together with church compound.

Bangalore.—St. Andrew's church and out-offices therewith connected, together with church compound.

CEMETERY.

Madras.—St. Andrew's cemetery.

Order—dated 4th January 1892, No. 1, Ecclesiastical.

Communicated to the Public Works Department in continuation of G.O., dated 21st December 1891, No. 99.

(True Extract.)

(Signed) N. S. BRODIE,
Ag. Under-Secretary.

From the Rev. W. W. ELWES, M.A., Acting Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 12th January 1892, No. 933.

I have the honour to acknowledge the receipt of G.O., dated 3rd December 1891, No. 94, Ecclesiastical Department.

2. Christ church, Kótagiri, was omitted from the proposed final list of churches and cemeteries to be repaired by the Public Works Department, as not being a Church of England church. I have ascertained that it is a Government building available for services by any Christian denomination. I would suggest, therefore, that it be included in the list of churches to be repaired by the Public Works Department under the name of Christ church, Kótagiri.

3. Kótagiri cemetery was omitted by an oversight. It should, I think, be included in the list of cemeteries to be repaired by the Public Works Department.

4. St. Andrew's Kirks, Madras and Bangalore, were omitted from my list, as I have no official knowledge of the relation of Government to any churches or cemeteries, except those which are in some way connected with the Church of England.

5. St. John's church, Trichinopoly, is included in the final list proposed by me, but it is not entered under the head of "additions," as it seemed to me, from the correspondence under reply in my letter No. 798, dated 21st September 1891, that it had been repaired by the Public Works Department and that it had been decided before the correspondence was sent to me that it should continue to be so repaired. I think this church should stand on the list of those to be repaired by the Public Works Department.

6. The following I understand to be the cemeteries at Madras and Bangalore which should be repaired by the Public Works Department:—

Madras.

1. St. George's cathedral cemetery.
2. St. Mary's cemetery.
3. Old cemetery, Washermanpetta.
4. New do. do.
5. St. Mathias' cemetery.
6. Quibble Island cemetery.

I believe this last is a Government cemetery, but there seems a doubt about it, which doubt I am unable to solve from any records in my office or from any information which I have been able to obtain.

Bangalore.

1. Cemetery, south of R.A. barracks.
2. Tank road cemetery.
3. Richmond road cemetery.
4. Hosur road cemetery.

No. 89.

Transferred to the Public Works Department with reference to its No. 5325 C., dated 26th November 1891.

(Signed) J. F. PRICE,
Chief Secretary.

15th January 1892.

3. In accordance with G.O., No. 3346 W., dated 11th December 1891, the churches and cemeteries at stations, from which the Public Works Department has retired, will be in charge of the Military Works Department.

4. Superintending Engineers concerned will report whether the undermentioned cemeteries and church included in the list submitted by the Archbishop of Madras are Government property and have hitherto been repaired by the Public Works Department:—
