PUBLIC WORKS DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

From the S. E. II Circle No. 377 Ks d. 26th May 1894

The Government Consider
 that the rate of pay pro-
 posed for the sweeper for
 the Krishna Northern Division
 office at Bezawada is high
 when compared with the
 rates sanctioned for sweepers
 in the other P. W. offices
 at the same station. Rs. 2
 per mensem seems to be
 sufficient remuneration
 in the circumstances
 reported. Sanction is
 accordingly given
 to the employment, in the
 first named office, from
 the 1st May 1894 to the end
 of the current official
 year, of a sweeper on
 Rupees

Rise (vide G.O. 1096 w d 1-5-94)
 S. E. office — Rs 2 per mensem
 Krishna Eastern
 Div Office — 1-8 probable per mensem
 (There are 3 Sweepers
 in this Division including
 the Workshop. Their
 aggregate pay is Rs 3 1/2
 per mensem)

Letter from the Executive Engineer,
Hindustan Northern D., to the Superintending
Engineer, 2nd Circle, d/12.5.94, No. 14 S.E.

I have the honor to request that
you will be good enough to obtain
the sanction of Government for
engaging a sweeper for the Office
on a salary of Rs 3/- per mensem.
from 1st May 1894.

2. The rate of salary proposed is
not very high considering the heavy
work of dusting the tables &c
he has to do owing to the continual
fall of dust entering into the building
owing to the locality in which the
building is situated.

*The building referred
to seems to be the
old Amrit Office
vide Exec. Engineer's
letter, recorded in
Memo: 1906 C. 8/11.5.94
The peculiar
situation of the
building has not
been described so
as to enable Govt
to judge of the
merits of the
proposal.*

No. 377 K1
26.5.94 Forwarded to the
Chief Engineer P.W. Department,
for favor of obtaining the sanction
of Government for the engagement
of a sweeper on Rs 3/- for the Northern
D. Office.
