Sir, I have the honor to forward
in original for your favourable consideration
an application from Workshop Accountant
C. Seetharamayya. He worked directly under
me for two years from 1884 to 1886 when I
was in charge of the Workshops and since I
have been in charge of the Division. I
have had no reason to change the favora-
ble opinion I then formed of his work. I
think that his long and good service
deserves some consideration and as he
is still on the Temporary List and is not
eligible for pension, I strongly recommend
him for an increase of pay. to Rs. 60.
2. I may also point out that the trans-
actions in the Workshops have very largely
increased during the last few years as the
attached out-turn statement for the past
10 years will show.

I have the honor to be
Sir,
your most obedient Servant
