Sir,

With reference
to your letter N^o. 170 A.E.
of 10th August 1892, I am

Extract (para I) from letter from the Accountant General P.W.D. to the Examiner, P.W. Accounts, Madras, No. 1013 E. dated 18th. May 1894.

In reply to your letter No. J742 A, dated the 4th. instant, I have the honour to say that I approve your proposal for a revised scale of 48 Accountants for Public Works in Madras; the reduction of one Accountant of the 7th. Grade being due to the impending abolition of the Periyar No. II Division. The usual proposition statement may now be submitted through the Madras Government for the sanction of the Government of India.

NOTES.

Reference to P. W. D. Code.

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing sanctioned scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

P. W. D. Form No. 118

MADRAS PRESIDENCY.

Part II

Tabular Statement to accompany proposals for changes in establishments.

Copy of letter from the Examiner Public Works Accounts, Madras, to the Accountant General, Public Works Department No. 1742 dated 4th May 1894.

In view of the amalgamation of No. II Periyar Division with the Madura Division ordered in G.O. No. 80678 dated 21st March 1894, which will probably take effect from about 1st July 1894, I have the honor to submit for your approval a revised scale providing for 30 Divisions.

2. The Accounts of No. II Periyar Division are one of the lightest, if not the lightest, in the Presidency, and the charge is held by an Accountant of 7th Grade, on Rs 80: the reduction in numbers is therefore proposed in this grade.
