2. At the same time, the undersigned would be very glad to see this anomalous arrangement done away with, and promotion on the Public Works lists confined to men actually belonging to that department, and would suggest a reference to the Military Department with this object in view.

No. . *From Colonel E. BEGBIE, Officiating Adjutant-General, Madras Army, to Colonel D. J. S. McLEOD, Officiating Secretary to Government, Military Department; dated Ootacamund, 24th May* 1894, *No.* 956-*B.A.* (*Unattached List—Warrant and Non-Commissioned Officers*).

In reply to Military Department No. 3027 of the 18th instant,* I have the honor, by desire of the Commander-in-Chief, to say that it would, no doubt, be more fitting if the names of the warrant and non-commissioned officers employed in the College of Engineering, Madras, and that of the warrant officer of the "Queen's Own" Sappers and Miners, were borne on the Miscellaneous list, but as this arrangement would be opposed to the system which prevails in the other Presidencies, it is doubtful whether the Government of India will sanction it.

* Herewith returned with its enclosures.

2. In matters of this kind it is very desirable that one uniform system should be followed throughout India.

3. It may be remembered that the name of Conductor Jones of the "Queen's Own" Sappers and Miners was removed from the Public Works to the Miscellaneous list, but that, under orders from the Government of India, it was restored to the former.†

† P.M.G. No. 2445 of 5th May 1881, and No. 4261 of 10th August 1881.

4. It is observed that the name of the 1st Assistant Master of the Thomason College, Roorkee, is borne on the Bengal Public Works Department list.

No. . ORDER THEREON, 7 June 1894, No. 3529.

In view of the facts stated in the Adjutant-General's letter above recorded, the Right Honorable the Governor in Council does not consider it expedient to disturb the system now obtaining in this Presidency, under which the warrant and non-commissioned officers employed in the College of Engineering, Madras, and the warrant officer attached to the "Queen's Own" Sappers and Miners are borne on the Public Works Department list for purposes of regulating promotion.

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Unattached List—Warrant Officers.

Read the following papers :—

No. . *From the Honorable Mr. A. MONRO*, M.A., B.C.L., *Acting Director of Public Instruction, Madras, to the Chief Secretary to Government; dated Madras, 5th May* 1894, No. 4183.

With reference to copies of the marginally-noted correspondence, I have the honor to request that the views of the Military Department may be obtained as to whether there is any objection to removing the names of non-commissioned officers attached to the College of Engineering from the Public Works Department list, with the view of giving effect to the suggestion of the Chief Engineer.

Letter No. 1216-C. of the Principal, College of Engineering, dated 20th December 1893.
Memo. No. 485-C., dated 2nd February 1894, of the Chief Engineer.
Principal's letter No. 1490-C., dated 16th February 1894.

From Major H. D. LOVE, R.E., Principal, College of Engineering, Madras, to the Director of Public Instruction ; dated 20th December 1893, No. 1216-C.

In Educational Notification, dated 9th June 1891, published in the *Fort St. George Gazette*, dated 16th June, Sergeant W. H. Goddard, Instructor in Surveying and Drawing, was appointed to the Upper Subordinate Educational service, Scholastic branch, and his appointment was subsequently sanctioned by the Right Honorable the Secretary of State. His name, however, continues to be borne on the Public Works Department list, and his promotion to warrant grade will, it is presumed, be regulated by the rate obtaining in that department.

2. If Sergeant Goddard's name were removed from the Public Works Department list, his promotion would, it is presumed, be regulated by the rate obtaining in the miscellaneous establishment of warrant officers, which is considerably quicker than in the Public Works Establishment.

3. Should this view be correct, Sergeant Goddard is desirous of relinquishing the right of reverting to the Public Works Department, which, it is believed, he now possesses.

4. Promotion to warrant grades will not affect Sergeant Goddard's pay in the Educational Department, but it would give him a higher status among the non-commissioned officers and men of the College, which, in his capacity of Superintendent of military students, it is desirable, in my opinion, that he should possess.

MEMORANDUM.

In returning endorsement from the Director of Public Instruction, No. 663, dated 25th January 1894, the undersigned has the honor to state that, under Madras Public Works Code, para. 709, which is based on an order of the local Government still in force, the names of warrant and non-commissioned officers attached to the College of Engineering and the Queen's Own Sappers and Miners, are borne as supernumerary on the list of the Public Works Department for purposes of military promotion. If, therefore, Sergeant Goddard relinquishes his right to revert to the Public Works Department, his name would still be borne as supernumerary on the Military list of the department for purposes of promotion to warrant rank.

2. At the same time, the undersigned would be very glad to see this anomalous arrangement done away with, and promotion on the Public Works lists confined to men actually belonging to that department, and would suggest a reference to the Military Department with this object in view.
