Sir,

I have the honor to request that you will be good enough to obtain the sanction of Chief Engineer under C. S. R. 1136 as a special case for the return Journey made by the Sub Divisional Officer Trivellore on the 26th and 27th April 1894 from Santavalur a place in remote corner of Trivellore Taluq to Trivellore via Kalahasty – a place out of my Jurisdiction.

I have &c

Executive Engineer

No. 162 W

Submitted to the Chief Engineer P. W. Department for sanction under Article 1136 of the Civil service Regulations

2. I request that the Supdtg. Engineer may be authorized to sanction future similar Journeys as a large Weir has to be built at Santavelur – and this is the only practicable route, Santavelur being about twenty miles East of Kalahasti.
