THE CHIEF ENGINEER

PUBLIC WORKS DEPARTMENT.

DOWLAISHWERAM, 25th May 1894.

SIR,

I have the honor to submit herewith a statement of stores manufactured in Europe but purchased in India, received from the Executive Engineer Eastern Dist. Godavari and to request that you will be good enough to obtain the sanction of Government to their local purchase vide clause 2 rule 3 of Appendix C of India Code volume I.

2. The oil referred to, has been purchased by the Executive Engineer from the Vacuum Oil Company, Bombay, as explained in the remarks column of the statement. This oil is required for use in the Division and also for Workshop stock.

3. The Heavy Engine oil is used for lubricating all shutter gearings &c in

Stores manufactured in Europe but purchased in India under paragraph 3 of Government of India Financial Resolution No. 10-1-93.

Description or Class of Stores	Nos or Quantity	Actual Cost in India			Estimated Cost if obtained thro: India office.			Remarks.
		Storage price or rate	Incidental charges.	Total Cost.	Storage price or rate	Incidental charges.	Total Cost.	
Heavy Engine oil	6868 Lbs	1335	73	1409	13			Out of the quantity entered 4368 lbs of Engine oil & 1182 1/2 lbs of Cylinder oil were already purchased for use in the workshops & workshop in this division. The balance represents the quantity that is required for 1894-95. As the quantity required is not great, may be purchased only as occasion arises it is thought that the purchase in India may be made economical. The oil is manufactured in America and purchased from Vacuum oil Co. Bombay.
Cylinder oil	1982 1/2	495	10	4978	545	18
