Russell should draw charge allowance for doing the duty of a Supg Engineer between the date of Mr. Martin's departure and my assumption of charge and I should also draw the pay of a Supg Engineer from the date the vacancy occurred as compensation for ~~being~~ ^{being} reverted to the rank of Executive Engineer while holding charge of the VI Circle.

4. If charge allowance is only admissible against a vacancy, I do not put forward any claim, but the general principle appears to require further consideration if no hardship is to be involved.

To W.

"Charge allowance" is a form of "acting allowance" and is given only against a vacancy.

2. Mr. Russell having been allowed charge allowance against the vacancy vice Mr. J.W. Martin Supg. Engineer on furlough from the date of his assumption of charge from Mr. Martin to date of relief by Major W.L.C. Baddeley R.E., Major Baddeley's claim to temporary promotion for the above period is inadmissible.

Sir,

In reference to G. O. 3300 W. of 18th December 1893 I have the honor to enquire if my promotion to Superintending Engineer can take effect from the date on which the vacancy occurred, without depriving Mr. Russell of charge allowance.

2. In the Office note printed with the above G. O. the Examiner lays stress on the fact that no hardship is involved in the general principle on which promotions and reversions are made, and in this view the Government concurred.

3. Apparently, therefore Mr. Russell

Calcutta, the 1st March 1894.

Sir,

With reference to Government of India, Public
Works Department, letter No: 2843 G of the 29th October 1891,
stating the conditions accepted by Mr. V. C. French, at that
time Assistant Engineer 2nd grade, regarding his employment
in the Accounts Branch, I am directed to say that as the
Accountant General, Public Works Department, has reported
favourably on Mr. French, and as he has passed the depart-
mental examination in accounts and procedure, he has been
confirmed in the Accounts Branch in the rank of Deputy
Examiner 2nd grade (old classification)-vide Public Works
Department notification No: 42 of the 26th January 1894.

2. I am to add that one of the conditions
accepted by Mr. French was that he would come wholly under
the scale of pay for officers of the Accounts Branch. He is
not, therefore, eligible to receive the increased rates of
pay drawn in certain grades by Civil Engineers who had be-
fore him joined the Accounts Branch; but as his pay as an
Assistant Engineer 2nd grade was Rs 500 per mensem, which is
Rs 50/- more than the pay of a Deputy Examiner 2nd grade,
that rate of pay, i.e. Rs 500 per mensem, may be passed to
him provisionally on his confirmation in the Accounts Branch,
pending receipt of the sanction of the Secretary of State
(which -
