NORTH ARCOT, COLLECTOR'S OFFICE,
Chittoor, 6th December 1897.

FROM Rao Sahib S. Swaminatha Iyer, B.A.
DEPUTY COLLECTOR,

IN CHARGE OF TREASURY,

North Arcot,

To

THE President,
District Board,
North Arcot.

SIR,

I have the honour to state that a sum of Rs 8 is debited to Local Funds monthly on account of salary of two watchmen employed at the Mahab garden at Chendragiri. As there is no information in the Audit Office that the garden belongs to Local Funds and as section 48(1) of the Local Board's Act requires that the sanction of government should be obtained for the transfer of any government property to Local Funds, the District Board Engineer was requested to state if the sanction of government was obtained in the case of the transfer of the Mahab garden to Local Funds. The Engineer states in his reply that there is no record in his office bearing on the subject of transfer of the garden to the L.F. Department and that he thinks the transfer must have taken place some years ago, there being vouchers to show that payments were made to the watchmen from L. Funds in September 1887. The Tahsildar of

Chief Officer, to whom a reference is made
the subject, states in his letter No 406, dated
the instant, that the Mahal is in charge of the
P. W. D. Department and that a watchman on a
salary of Rs 5 a month is employed by that Department
to look after it (the Mahal). Section 48(1) of the
Local Boards Act lays down that "the Governor
in Council may, from time to time by notification,
direct that any property moveable or immovable,
which is vested in Her Majesty and is situate in
the territories administered by the Governor in
Council, shall vest in any Local Board, and thereupon
such property shall vest in such Board for the
purposes of this Act, subject to all rights (if any)
existing over and to all debts, liabilities and
obligations (if any) affecting such property." If the
sanction of Government for the transfer of the
garden to L. Funds has not already been
obtained, it seems to be desirable to do so.
So long as the Mahal is in charge of the P. W. D.
the garden itself may be looked after by that
Department, in which case, the services of the two
gardeners employed at the cost of Local Funds
may be dispensed with.

Enclosure 1.

Letter from the Dy. Collr
in charge of Treasury
to the President Dist.
Board 12/1378
dated 6th Decr/93 with
Audit from the latter
Office 12/3598 of 13-12-93

In enclosing the marginally
noted papers received from
the President of the District
Board, North Arcot, I have
the honor to state that I
consider that as the Chendragiri
Palace is in charge of this
Department it would be advisable that the
garden should also be placed under our charge.
At present we have a watchman in charge
of the Palace, and two gardeners are paid
by the E. F. Board. If the garden were
placed under our charge one man might
well be dispensed with as the watchman
might also assist in the garden. It will be
noticed

and that I referred to this matter in my
action notes dated 3-10-93. I request therefore
that you will obtain the sanction of Govern-
ment to the maintenance of one gardener in
addition to watchman already employed on
Chendragiri Palace. If this is accorded
I will inform the President of the Dist. Board
that I am prepared to take over the garden.

I have &c
