Copy of letter No 52 D/23/5/94 from
the "Executive" Engineer Cuddapah
Division to the Superintending
Engineer & Project Engineer

I have the honor to inform
you that in L. G. No 1771 W dated
17/8/93 a temporary draughtsman
was sanctioned for this division.
This expires on the 24 inst and
I request you will apply for an
extension of his services for
at least six months.

Owing to the constant change of
draughtsmen in my office, due to
ill health, consequent upon their having
to live in Cuddapah, the work in the
drawing branch is considerably in
arrears. The sagging plates have
to be copied by the heliographic
process, working plans for the new
Cutcheries at Prodatore & Rayachoty
have to be made the revised plan
for the District Forest Officer's House
at Cuddapah has to be drawn, &
all the drawing sheets which were
left by the previous Head Draughtsman
in a state of chaos, have to be arranged.
With only one assistant it will be
impossible for the Head Draughtsman
to manage all this and I hope you
will be able to persuade Government
