The date of the Assistant Engineer's
signature is 5th Nov 1893, of the Ex. Engr.
16th Jan 1894 and of the S.E.'s 6th June
1894. The Assistant Engineer states
that "the estimate" has been prepared at
the request of and is in accordance
with the wishes of the Police Dept.
But he does not specify what
member or members of that
department - and as it bears
no Police Officer's signature we
do not know but that the District
Supt. of Police might say that he
knew nothing about it.

A sketch would have made
the proposals clearer than
they are.
