Superintending Engineer's Office,

3RD CIRCLE,

Bellary 5th June 1894.

FROM

Colonel A. J. Fraser R.E.

SUPERINTENDING ENGINEER,

IIIRD CIRCLE.

TO

THE Chief Engineer,

P.W. Department.

Madras.

Sir,

Enclosures.

I have the honor to state in reply to your No. 2076C dated 30th May 1894 that last year it became a question whether the Salug butcherries at Madacasira, Gooti, & Hindupur, were of most importance, and on reference the collector stated that the Madacasira butcherry was least important. In consequence the grant was transferred, and the Sadpatri building was also begun.

2. As the Pattikonda butcherry (Kernool Dist.) appeared in the preliminary issue of the Budget, tenders were called for in due course, one of these approved, and the work started.

3. Having therefore the Sadpatri, & Pattikonda buildings actually in hand, and the collector's opinion that Madacasira butcherry was not particularly urgent, it became necessary to ask for a modification of the grants, and postponement for the present of the Madacasira work till funds are available.

I have the honor to be

Sir
Your most obedient servant

A. J. Fraser R.E.
