PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

From the Suptg. Engineer II Circle H.E. No. 290 H.S. d. 16th May 1894
From the Examiner P.W. accounts H.E. No. 2351 D. d. 12th June 1894

The action of the Executive Engineer District Western Division in renting a house at Sitanagaram for the accommodation of Mr. Morin Assistant Engineer without the prior permission of Government was irregular, but it is now sanctioned under Rule (iii) para 15. Chapter XI Vol I. P.W. Code. The charge of Rs. 46-10-11 will be debited to Repairs - Civil Buildings.

2. The suggestion in para 3 of the Examiner's office note will be acted on by the Suptg. Engineer

Your office note No. 2020 C. of 24th.

May 1894.

The sanction solicited is inadmissible as the rent of buildings for offices (vide Code I. VI. 13) is alone chargeable to Contingencies.

2. It was irregular of the Superintending Engineer 2nd. Circle to have rented this building without the sanction of the Local Government. This sanction may now be given if the Government is satisfied that it was necessary to provide quarters for Mr. Morin at Seetanagram vide clause III, para 15, chapter XI, volume I of the P.W.D. Code.

3. It appears to me that unnecessary expense was incurred in renting the whole of the building when arrangements could have been made with the Engineer in-Chief East Coast Railway to rent so much of the building only as was required for Mr. Morin, and if the Local government considers such a step advisable it may direct the Superintending Engineer to
