Your office Note No. 1315 C. dated
21st March 1894.

There appears no objection to
Ghansing Lala being confirmed in his
appointment and allowed to count his
service for pension from 1st April 1887
and to his drawing pay at Rs. 40 per mensem
if sanctioned by Government.

of Captain A. R. F. Darnard R. E., the then Executive Engineer of the Division, as he found Ghansing Lala most useful as he was acquainted with the circumstances of the Rushikulya Project, which acquaintance he obtained when employed as a clerk under Major Beckley R. E. Executive Engineer, at the time of his investigation of the Rushikulya Project.

3. Ghansing Lala was allowed to draw the full pay (Rs 60) of his post, on the condition of his passing the examination in P. W. Code, in 1884; he failed to pass, & in consequence was reduced from 12th November 1884 to a temporary clerk's post, carrying a salary of Rs 40 in the same Division, vide G. O. No. 2832 W. dated the 12th November 1884.

4. When the Rushikulya Division was amalgamated with the Ganjam Division in April 1887, & permanent Establishment sanctioned in G. O. No. 1489 W. dated the 3rd June 1887, this clerk was transferred to the Ganjam Division, as cashier clerk IV class 2nd Grade, to act as a temporary clerk only, although the post is a permanent one on account of his being then 44 years of age, vide this office letter No. 371 G. H. dated the 16th August 1887 & G. O. No. 2767 W. of the 18th October 1887.

5. When the Rushikulya Project was again constituted into a separate Division in April 1888, as per G. O. No. 3208 W. dated the

24th November 1887, Ghansing Lala was retained in the Ganjam Division in the same post, & this post he still holds & is drawing Rs 30 per mensem the minimum pay of the grade.

6. This clerk was found most useful by all the officers under whom he was employed, & he has always been reported to be hard working, & intelligent.

7. The only objection to his continuing service as a permanent clerk in the post he is now holding is that he was over twenty five years of age at the time of his appointment to this post.

8. I beg therefore to recommend that (a) he be exempted from the age bar, & be allowed to count service as permanent clerk in the post from 1st April 1887. (b) & that he be allowed to draw Rs 40 per mensem the maximum pay of his grade, which pay he would have been drawing from 1st April 1892, had he been exempted from the age bar at the time of his appointment to the post in April 1887.

9. I beg to state that he was exempted from passing the general test vide G. O. No. 3046 dated the 30th Decr 72 & 1785 W. of 21st July 84.

10. I enclose for your information letter No. 3633 dated the 15th February 1894 received from the Executive Engineer Ganjam Division relating to this clerk's services.

I have the honor to be,

Sir,

Your most Obedient S^t

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—again the following paper :—

G.O., dated 17th February 1894, No. 176, Pension.

READ—also the following paper :—

G.O., dated 20th April 1894, No. 268, Revenue.

READ—again G.O., dated 24th January 1894, No. 65, Revenue.

ABSTRACT.—Declaring that all overpayments should in future be recoverable in the first instance from the Government servants who have received the same, that in cases in which the recovery cannot be so made the disbursing officers, unless they can satisfactorily explain the overpayments, will be required to make good the loss, and that no recoveries need be made in respect of allowances improperly drawn by Government servants by reason of errors as to grant of leave, &c., if such overpayments are not discovered within two years from the date of last overpayment.

READ—also the following letter from T. W. RAWLINS, Esq., Accountant-General, Madras, to the Secretary to Government, Revenue Department, dated Fort St. George, 12th March 1894, No. 742 :—

In G.O., No. 65, dated the 24th of January 1894, it is ruled that no recoveries need be made in respect of allowances improperly drawn by Government servants by reason of errors as to the grant of leave and the like, if such overpayments are not discovered within two years from date of last overpayment.

As this would amount to allowances over and above what are admissible under the Civil Service Regulations being allowed to pass without question, and as the rules do not provide for recoveries being waived in such cases, I have the honour, respectfully, to request that the Madras Government may be pleased to communicate its order to the Government of India.

Order—dated 20th April 1894, No. 268, Revenue.

Miscellaneous.

On reconsideration, His Excellency the Governor in Council resolves to withdraw the ruling contained in the concluding sentence of paragraph 1 of G.O., dated 24th January 1894, No. 65, and to restore the rule previously observed, viz., that allowances improperly drawn by Government servants, by reason of errors as to the grant of leave and the like, will be recoverable from them without reference to any period of limitation.
