NOTE BY TECHNICAL SECTION.

Name of work Additions + improvements
to Quarantine ward, in the Central Jail
at Vellore.

Amount of revised estimate Rs 5300

An estimate amounting to Rs 4000 for extending the quarantine ward 51'9" x 15'0" with a front verandah 6'3" wide, as per plan submitted, was sanctioned by the S. E. W. Circle in 1892-3. This estimate provided for a ridge ventilation to the proposed extension. The Sup. General of Jails now requests that the ridge ventilation be continued to the old portion of the quarantine block hence the necessity for the revised estimate.

The excess of Rs 1300 over the original estimate is chiefly due to the provision of ridge ventilation & to the omission of cornice work & painting done in the original estimate.
