COPY of letter from the Political Agent for Pudukkóttai, to Revd. Mr. Ringer, Lutheran missionary, Pudukkóttai, No. 40-O—1219, dated 25th August 1893.

With reference to this office letter, No. 40-O—758, dated 9th June 1893, I have the honour to request to be informed whether you consent to maintain a register as requested in the above letter.

2. My report to Government is deferred pending receipt of your reply to my letter quoted above.

COPY of communication from Revd. F. RINGER, Lutheran Missionary of Pudukkóttai, now at Kodaikánal, to the Political Agent for Pudukkóttai, dated 30th August 1893.

With reference to your letter, No. 40-O—1219, dated 25th August 1893, I have the honour to inform you that I am willing to maintain a register as requested in the above-named letter.

2. As soon as I return to Pudukkóttai at about the 15th of September, I think I shall submit an extract of the register kept till now.

From the Resident in Travancore and Cochin, dated Courtallum, 4th September 1893, Ref. on C. No. 1717—93.

ABSTRACT.—Intimating that the report on the maintenance and repair of graves of Europeans will be submitted on receipt of the necessary information from the Diwans of Travancore and Cochin and the Ecclesiastical authorities, who have been addressed on the subject.

From H. B. GRIGG, Esq., M.A., C.I.E., Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 22nd December 1893, Ref. on C. No. 2442.

With reference to the letter from the Government of India, Foreign Department, dated 24th March 1893, No. 1027-I., forwarded with your memorandum No. 700 of the 12th April, I have the honour to annex a list of the graves of Europeans situated in Travancore and Cochin, together with copies of the inscriptions on them. Nearly all these graves are, however, situated in Christian, Catholic, Anglican and Non-Conformist cemeteries. The cemeteries are of course kept in order and proper repair by those having the control over them, but no special steps are now taken for the maintenance and repair of the graves. I do not think that it will be feasible to force this duty on the persons exercising control over the cemeteries unless the cost of repairs is defrayed by Government. It must therefore, I fear, be left to the relatives of the deceased in whose memory the graves are erected should they consider it desirable and to the good feeling of the religious communities concerned. I think there is a growing tendency to keep cemeteries in better order than heretofore. The Durbars cannot well be asked to incur any expenditure on this account.

2. The cemeteries at Anjengo and Tangasseri are omitted from the above list. They will doubtless be included in the list from Malabar.

3. Arrangements will be made to maintain in my office a register of all interments of Europeans and to forward annually a copy of the recorded entries in it for the information of the Government of India.

Memoranda, dated 17th January 1894, Nos. 88 and 89, to the Political Agents, Sandur and Pudukkóttai.

From the Political Agent, Sandur, dated 29th January 1894, No. 195, submitting particulars regarding Etta Bradshaw's tomb.

Memorandum, dated 8th February 1894, No. 238, to the Resident in Travancore and Cochin.

From the Resident in Travancore and Cochin, dated 19th March 1894, No. 482, returning corrected the list of the graves of Europeans in Travancore and Cochin.

From J. ANDREW, Esq., Political Agent for Pudukkóttai, to the Chief Secretary to Government, dated Trichinopoly, 30th March 1894, No. 40-O—505.

With reference to your memorandum, No. 89, dated 17th January 1894, I have the honour to inform you that there are no graves of Europeans situated in isolated places within the Pudukkóttai State. The only European grave in the State is that of a former Band Master, Mr. John James, in the Lutheran Mission cemetery in the town of Pudukkóttai.

2. The return of graves of Europeans called for in the memorandum under reference is herewith submitted in the prescribed form.

From the Public Works Department, dated 5th April 1894, No. 1504-C.

ABSTRACT.—Transferring letter from the Superintendent of Works, No. I Periyár Division, stating that the return of burials of Europeans in the cemetery at Periyár during 1893–94 is *nil*.

From the Government of India, Foreign Department, dated 17th April 1894, No. 1293-I.

From the Resident in Travancore and Cochin, dated 30th April 1894, No. 1179.

ORDER—dated 9th June 1894, No. 396, Political.

2. Political officers will arrange for the maintenance of a register, in the annexed form, of interments in the States to which they are attached and will submit to Government by the 1st February in each year a return of the entries that have been made in the register during the previous calendar year. 3. I am further to enquire whether it would not be feasible to maintain a register of such interments, the recorded entries in which might be forwarded annually to the Government of India so as to be available in the event of enquiries being made by relatives or friends of deceased persons.
