RESOLUTION—dated 23rd May 1894, No. 208.

The abstract of the programme of famine relief works for 1894-95 received from the Collector of Chingleput will be submitted for the information of Government.

2. The programme contains provision for the construction of 29 new irrigation works to cost .95 lakh and repairs to existing works 3.60 lakhs; the construction of nearly 100 miles of new roads at a cost of 1.88 lakhs and repairs to existing roads 7.91 lakhs; works designed to improve the supply of drinking water costing .49 lakh and other miscellaneous works 1.33 lakhs. The last item includes a provision of Rs. 60,000 for land improvement works to be carried out by the aid of State loans. The aggregate provision made amounts to Rs. 16,15,697 and the works are estimated to be sufficient to provide employment during a period of three months for 19 per cent. of the total population of the district. The population provided for is below the prescribed minimum of 20 per cent. (not 5 per cent. as supposed by the Collector) in all the taluks except Ponnéri and Chingleput, and very considerably so in Saidapet and Conjeeveram.

3. It is not clear whether estimates have been sanctioned for deepening the Buckingham Canal from the 23rd mile to the 35th mile, South Canal (Chingleput), and for the completion of the Buckingham Canal diversion from Chintamani to Pulicat (Ponnéri). The Chief Engineer for Irrigation will be requested to be good enough to state whether these can be considered as available relief works.

4. Estimates are stated to be ready for works costing Rs. 11,98,934 or nearly three-fourths of the total provision excepting loan works for which no estimates are required.

5. (1) Separate totals are not entered in statement A. for each class of work as directed in the foot-note to form A. appended to Board's Proceedings, No. 411, dated 7th June 1892. This should be attended to in future.

(2) The lengths of the two new roads for the construction of which a sum of Rs. 10,280 is provided in the Saidapet taluk has not been noted in form C.

(3) The grand total (Rs. 94,828) given in column 9 of form C. appears to be a mistake for Rs. 94,868. The Collector's office copy of the statement should be corrected accordingly.

PROCEEDINGS OF THE BOARD OF REVENUE (REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—again Proceedings of the Board of Revenue (Revenue Settlement, Land Records
and Agriculture), dated 12th April 1894, Mis. No. 2276.

ABSTRACT.—Requesting the Collector of Chingleput to call upon his Sub-Collector and the
Divisional officer, Tiruvallūr division, to explain the delay in the submission of the information
for the preparation of famine relief works and that the same be forwarded to the Board for
information, and requesting the Chief Engineer to instruct the Executive Engineer, Chingleput
district, to submit the information called for at an early date.

READ—also the following letter from J. THOMSON, Esq., Collector of the Chingleput
District, to the Secretary to the Commissioner of Revenue Settlement, and
Director of the Department of Land Records and Agriculture, dated Saidapet,
8th May 1894, Ref. on No. 1038-Ver. :—

In continuation of this office letter, Ref. on No. 1038-Ver., dated 6th April last,
I have the honour to submit herewith the programme of famine relief works for 1894-95
in the forms A. and C. prescribed in Board's Proceedings, No. 411, dated 7th June
1892. The information necessary for the preparation of the B. statement has not as
yet been received from the Executive Engineer, who sent in only his A. and C. state-
ments. He has now been asked to submit B. also: whereon, the consolidated state-
ment will be compiled and submitted.

2. The programme provides labour for 18.92 per cent. of the population for three
months, against 5 per cent. required to be provided in the rules. The works have been
arranged in it as per instructions given in Board's Proceedings, No. 411, dated 7th
June 1892, quoted above.
