Read the following papers :—

No. 27. From D. A. J. CROMBIE, Esq., Secretary and Treasurer, Bank of Madras, to Colonel D. J. S. McLEOD, Officiating Secretary to Government, Military Department; dated 20th April 1894, No. 7.

1. Letters from the Consulting Architect, to the Chief Engineer, Public Works Department; dated 13th and 14th March 1891.
2. The Bank's letters to the Secretary to Government, Military Department, dated 24th March 1891, 6th December 1892, and 11th January 1893.

Tenders for the site at present occupied by the Commissariat granaries were sent in on the 16th instant. This Bank tendered at the rate which it offered previously, namely, Rs. 77,470, this being the sum which we agreed to expend in building new granaries—vide the correspondence noted in the margin.

I find on enquiry that our tender has been exceeded by Rs. 2,641. As the Government of Madras does not undertake to accept the highest (or any) tender, I have the honor to submit, for the consideration of His Excellency the Governor in Council, that this Bank's claims should not be set aside for the sake of the small sum named above.

Our claims are expressed fully in our letter of the 17th September 1890 (vide G.O., Military Department, 12th July 1893, No. 4511), to which I have the honor to refer. It will be observed that this Bank was offered by Government, and that it accepted, a portion of the ground on which the Post and Telegraph offices now stand, the Bank having given up the site allotted to it on the urgent representations of the Chamber of Commerce through the Government of Madras. Besides, it is the intention of my Directors to erect a building on the site which will be an ornament to the front of the town, and the plans of which may be submitted, if need be, for the approval of the Government Architect.

No. 28. To the Secretary and Treasurer, Bank of Madras; dated 2nd June 1894, No. 3430.

No. 29. From D. A. J. CROMBIE, Esq., Secretary and Treasurer, Bank of Madras, to Colonel D. J. S. McLEOD, Officiating Secretary to Government, Military Department; dated 12th June 1894, No. 8.

I have the honor to acknowledge receipt of your letter No. 3430, dated 2nd June, which has been duly laid before my Board of Directors, and I am desired by them to inform you in reply that they are now prepared to pay Rs. 1,00,000 (one lakh of rupees) for the Commissariat granary and land at Madras referred to.
