Sir,

I am directed to forward, for the consideration of the Government of India, copy of a letter from Mr. A. M. Hayes, Executive Engineer 2d grade, applying for permission to retire from

+ Pros: No. 1737 W dy 11th July 1894.

from the service under the
provisions of Rule IV (2) of
Government of India Resolution
No. 2873 G. of 2nd November 1893.

Mr. Hayes will complete
fifteen years' total service on the
3rd September 1894, and he was
informed before his departure
on furlough in April last, that
he should submit his application
for retirement within three months
of the former date. If, however,
his letter be now returned with
an intimation that his applica-
tion should be renewed after
the 23rd September, time will not
admit of his doing this, and
receiving a reply before the
date on which he should re-
embark for India, for his
furlough expires on the 4th
November next. I am therefore
to

to suggest that the question whe
or not he will be permitted to
retire under the Special terms be
decided at once, and that Mr. Hay
be informed accordingly. If the
decision be favourable, he will
be told to renew his application
after the 23rd September, naming
a definite date for retirement
and that pending the receipt
of formal orders retiring him,
he need not return to India.

3. I am to add that this
Government has no objection
to Mr. Hayes's proposed retirement
and in accordance with your
letter No. 2920 G. dated 7th Novemb
1893, a brief report on his quali
-fications is embodied in the
Proceedings herewith forwarded.
