1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing sanctioned scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

(C) The rest house at Krish-
nagiri is used by the Overseer
for his office. It is too small
for him to live in; he is in-
charge of three taluk viz. Hosur,
Dharmapuri and Krishnagiri,
and he scarcely remains at
Head Quarters. The services of a
watchman are therefore con-
sidered necessary to look after
the building.

A. A revised proposition
statement is herewith sub-
mitted for the sanction of Govern-
ment.

Sir,

With reference to your
memo N^o 2067 C dated 29th May 1894,
I have the honor to inform you
as follows:-

- (a) The rest house at Hosur is
the ^{identical} ~~very~~ building mentioned in
this office letter N^o 69 W dated 17th
February 1894, and the pay of the
watchman who looks after the
tools stored therein will be charg-
ed to "Tools and Plant" Repairs.
- (b) The entry of Rs 5 against rest
house at Barer is an error. It
should be Rs 6.
