PUBLIC WORKS DEPARTMENT.

LETTER—to

THE RIGHT HONORABLE THE SECRETARY OF STATE FOR INDIA.

SIR,

We have the honour to forward herewith five copies of each of the following budget estimates of the Public Works Department for the year 1894-95 :—

Final Issue.

- | | |
|-------------------------------|--|
| (1) Imperial Military Works. | (5) Excluded Local Funds. |
| (2) Imperial Civil Works. | (6) Irrigation Major Works. |
| (3) Provincial Civil Works. | (7) Irrigation Minor Works and Navigation. |
| (4) Incorporated Local Funds. | |

2. With reference to Lord Cross' despatch No. 7 (Public Works), dated 18th August 1887, we attach a statement showing the approximate amount of establishment charges applicable to the construction of the Periyár and the Rushikulya projects, the only works in progress in this Presidency on which special establishments are employed. The figures in the statement now forwarded compare with those transmitted with our despatch No. ⁷/₁₈₈₆ W., dated 21st July 1893, as shown below :—

					Capital expenditure on works.	Total establishment charges.	Percentage of establishment on expenditure on works.
<i>Periyár Project.</i>					RS.	RS.	
1893-94	..	..	..	..	8,87,561	1,80,972	20·4
1894-95	..	..	..	..	6,00,163	1,58,237	26·4
<i>Rushikulya Project.</i>							
1893-94	..	..	..	..	3,49,593	80,460	23·0
1894-95	..	..	..	..	2,21,951	72,543	32·6

It will be seen that in both cases the estimated cost of establishment in 1894-95 is less than that in 1893-94 while the percentage on works is considerably higher. The increase is due to the smaller grants allowed for construction in the current official year.

We have the honour to be,
