The proposal of
the Vicar to undertake
the necessary protective

for the protective works.
This seems hard, &
it will not be

The Vicar of the
Roman Catholic Church
Tellicherry.

To,
The Chief Secretary to Government,
P. W. Dept.
Madras.

Through the Collector of Malabar.

Sir,

In acknowledging receipt of copy of G. O.
14th November 1893, No 2840, W., furnished to me
by the Collector of Malabar, I have the honor to
state that my parishioners regret that, under the cir-
cumstances already brought to the notice of Govt.,
they are unable, in addition to the heavy burden they
have already on hand for protecting their Church, to
contribute any sum of money for protecting that
portion of the Government land, which Government
have left unprotected, while they thought it necessary
to protect and did protect the other portion when
recently carrying out the work of repairing the
Sub Collector's bungalow and premises.

2. I therefore regret my inability to place
the sum of Rs 2100 being the full amount of the
estimate at the disposal of the P. P. W. as directed
in G. O. dated 28th February 1893, No 520 W.,
and

and request to be informed whether Government
will have any objection to the parishioners taking
the necessary steps to protect the Church Land
themselves with the limited means at their command.

As the season now is very favorable
for commencing the work at once, I request
that Government may be pleased to pass orders
at an early date.

I have the honor to be,

Sir,

Your most obedient servant.

S. Jones

Vicar.

Forwarded for the order of Government.

2. If the Roman Catholic Community now decides to take measures for the protection of the Church, the cost of preparing the Estimate already made should I think be paid by them.
