Referring to the Financial Department Notification No. 3133 A. dated 22nd. June 1894 published in Part I of the Gazette of India dated 23rd. June 1894, page 387, will you please obtain the orders of the Govt. of India as to whether the rate of exchange fixed for the quarter ending 30th. September 1894 viz 1 s. 1½ d. the rupee, is the rate at which the Military pay of European Non-Commissioned Officers and Soldiers serving in the P.W.D. should be calculated for the period of their salaries from July to September 1894?

2. Under Code I, Appendix A, the rate of English pay of Non-Commissioned Officers and soldiers are converted into Indian money at the rate of exchange fixed periodically for payment of British Troops serving in India, the same being communicated by Circular to Local Governments. No such Circular has as yet been received, in this office. Hence this reference.
