* In the case of appointments on progressive pay, the "average" should be calculated according to the rules in the Pay and Acting Allowance Code.

Office-note from the Examiner, Public Works Accounts, dated 18th September 1893, No. 1000 D.

Entries in column "Present scale" of the proposal statement have been checked and found correct.

2. The number of lascars of over 20 years proposed for retention cannot be checked, as the audit registers do not contain the names of incumbents in inferior grades. This can be verified only from the service books of the lascars concerned, which are recorded in the respective divisional offices in which they are employed.

From J. W. MARTIN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated 5th October 1893, No. 1630 K.S.

I have the honour to request you will be good enough to have one lascar out of the 119 (55 + 64) lascars shown against the Kistna delta system under water regulation and navigation establishments in column 4 of the statement appended to paragraph 2 of this office No. 256 G.L., dated 19th August 1893, transferred to column 5 (temporary establishment) as, owing to absence of details at the time of the preparation of the statement, two tappal lascars were only taken into account at Vinjeram lock in the Gudiváda division while three men were sanctioned for the lock for that purpose—*vide* G.O., No. 103 W., dated 13th January 1885. The figures in the above two columns will, after this correction, be 118 (55 + 63) and 30 respectively.

2. The number of lascars on Rs. 5 applied for under temporary establishment in the proposition statement sent with the letter quoted above will also be increased from 13 to 14, making the total cost for temporary establishment Rs. 174 against Rs. 169 already given.

Order—dated 20th January 1894, No. 180 W., Public Works.

The revised scale of conservancy lascars, permanent as well as temporary, for the II Circle, as shown in the statement submitted by the Superintending Engineer with his letter No. 256 G.L., dated 19th August 1893, is sanctioned.

2. This sanction has been registered as Provincial No. 63 W. of 1893-94 and classified as Establishment.
