Petition from A. Jagannathan
dated 7th June 1894 to the Executive Engineer
Buckingham Canal Division.

Referring to your honor's order No 584 of
1st instant I beg to lay the following to
your honor's kind consideration & recom-
-mendation to the Superintending Engineer
2^d Circle to exempt me from paying the
unadjusted balance of my father's
salary. After my father's arrival at
Guntur he was on sick bed for 3 months
during that time some four hundred
rupees were spent for sickness. During
my father's time he has contracted a
debt of nearly Rs 7,000 under which all
our property has been mortgaged. Now
I am left helpless. I am a boy of
14 years old and I cannot get a post
any where to clear the debt of the
Government. After my father's death
we have mortgaged all our jewels for

leave, which was afterwards
 Commuted to sick leave during
 which he died. The case, there-
 fore, does not fall under note
 1 to Art: 297 Civil Service
 Regulations, and is reported
 with reference to the Code
 rule above quoted.

2. The incidence of the charge
 is Provincial Establishment.
