GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following paper:—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department (through the Examiner, Public Works Accounts), dated Dowlaishweram, 20th October 1893, No 457 Gl.

With reference to G.O., No. 1927 W., dated 25th July 1893, I have the honour to submit herewith a proposition statement showing the revised scale of establishment of lascars retained on the permanent establishment in accordance with the instructions contained in G.O., No. 840 W., dated 28th March 1893.

2. The establishment which should continue to be charged to "Establishment, permanent," under the above Government Order is not shown in the statement under reference, as it is unnecessary to do so.

3. The saving shown in the proposition statement now submitted is on account of the lascars whose service is less than 20 years and who have been in consequence transferred to "Work establishment."

4. The total number of lascars on Rs. 6 and 5 entered in column 4 of the proposition statement under the present scale for the Gódávari district under Irrigation and Navigation establishments is 347, but according to the Provincial budget for 1893-94 the number is 348 as shown below:—

		RS.
39	lascars at	6—Irrigation.
147	do. at	6—Navigation.
75	do. at	5—Irrigation.
87	do. at	5—Navigation.
348		

The only explanation that can be afforded for the difference is that the number shown in the proposition statement is the number of men actually employed before the receipt of G.O., No. 840 W. of 28th March 1893.
