READ—the following papers :—

From Colonel G. SIMPSON, Officiating Quartermaster-General, Madras Army,
to the Secretary to Government, Military Department, dated Ootacamund,
4th July 1894, No. 1239 M.W.

I am desired to forward for sanction and transfer to the Public Works Department for disposal and allotment of funds an estimate, amounting to Rs. 2,830, for substituting asphalt in place of the existing wooden floors of No. 1 barrack and central blocks at West Hill, Calicut.

2. The estimate is approved by the Commander-in-Chief and has been countersigned.

3. The report accompanying the estimate explains the necessity for the work which His Excellency considers should be carried out with the least possible delay.

4. The local Medical authorities and the Principal Medical Officer, Madras Army, are of opinion that the rotten planking of the floors should be at once removed, the space filled in with sand and covered with asphalt, and in this opinion His Excellency concurs, as he is of opinion that the present state of the floors is insanitary and may be the cause of the recurrence of sickness such as took place last year.

No. 4145, Military.

Approved and transferred to the Public Works Department for disposal.

OOTACAMUND,
5th July 1894.

(Signed) D. J. S. McLEOD, Colonel,
Offg. Secretary to Government.

Note by the Chief Engineer, Public Works Department.

The necessity for deviating from the schedule rates should be explained and data for the enhanced rate and also for the sea sand should be submitted.

NOTE BY TECHNICAL SECTION.

Name of work Substituting asphalt in place of boarded floors in the West Hill Barracks at Calicut.

Amount of estimate Rs 2830

The estimate under review provides for substituting as:- asphalt floors in lieu of boarded floors in Barracks W. 1 & Central blocks at West Hill, Calicut, owing to the offensive smell arising from underneath the existing floor.

Provision has been made in the estimate to dismantle the existing boarded floor, fill in the basement with sea sand & 6 inches of gravel at top & to lay asphalt flooring $\frac{3}{4}$ " thick over a bed of concrete 6 inches thick.

The following rates are in excess of the Divisional schedule
 Sea sand filling 24.000 against Rs 10.000
 Gravel filling 5.000 do 1.000
 if schedule rates be adopted the

The saving will be Rs 350 with petty
superintendence & contingencies.

The rate for sea sand has been
compared with the item of river
sand, as ~~no~~ no rate for the
former has been entered in
the schedule.

The estimate has been counter-
signed by the M. W. G. & approved
in the Military Dept.

The necessity for
deviating from the schedule
rates shall be explained &
data for the enhanced rate
& also for the sea sand should
be submitted.
