20th July 1894, No. 1822 W., Public Works.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following papers :—

From the Officiating Director-General of Railways, dated Simla, 16th May 1894, No. 1076 E.

The following is forwarded to the Secretary to the Government of Madras, Public Works Department, for information in continuation of this office No. 2457 E. of the 5th December 1893.

Enclosure.

Copy of a letter from the Engineer-in-Chief, East Coast Railway, to the Director-General of Railways, dated 1st May 1894, No. 2185.

I have the honour to inform you that, in accordance with the orders contained in your letter No. 2456 E., dated 5th December last, P. Ranganayakulu Naidu, Engineer student, was placed under the orders of the Executive Engineer, Khurda division of this railway, for training.

2. Towards the close of last month, he submitted an application, supported by an inadequate medical certificate, as per copies enclosed, complaining of ill-health, and he subsequently left the division without either waiting for orders or making any reference to his Executive Engineer.

3. The student's desire to work between Bezwada and the Lánguliyá river is practically a demand of employment on open line under Manager; I do not think any useful practical training can be given him there, and I need hardly add that the open line being outside my jurisdiction, it is for you to give orders for the student's transfer.

No. 2060 C.

Referred to the Director of Public Instruction with advertence to the correspondence ending with his endorsement No. 2522, dated 20th March 1894, for favour of opinion as to where the student should now be posted.

2. It seems desirable that the student should be withdrawn from the East Coast Railway and transferred to an ordinary Public Works division.

(Signed) J. PENNYCUICK, Colonel, R.E.,
Chief Engineer, P.W.D.

29th May 1894.

From Lieut.-Colonel A. W. SMART, R.E., Acting Principal, College of Engineering, Madras, to the Director of Public Instruction, Madras, dated 4th June 1894, No. 139 C.

With reference to your endorsement No. 5320, dated 1st June 1894, I have the honour to state that it appears desirable that P. Ranganayakulu Naidu should be transferred from the East Coast Railway. I would suggest his being posted to Trichinopoly or Tanjore under the Water-works Engineer.

No. 5557.

Forwarded to the Chief Engineer, Public Works Department, with reference to his endorsement No. 2060 C., dated 29th ultimo, and with an expression of concurrence in Lieutenant-Colonel Smart's remarks.

(Signed) A. MONRO,
Ag. Director of Public Instruction.

9th June 1894.

No. 2218 C.

Referred to the Local and Municipal Department for favour of information whether Engineer student P. Ranganayakulu Naidu can be received for practical instruction on either the Tanjore or Trichinopoly water-supply scheme. An Engineer student has already been posted to each of those projects.

16th June 1894. (Signed) J. PENNYCUICK, Colonel, R.E.,
Secretary to Govt., P.W.D.

No. 497.

Referred to the Sanitary Engineer for report.

(By Order.)

FORT ST. GEORGE,
25th June 1894. (Signed) L. DAVIDSON,
Ag. Assistant Secretary.

From R. E. ELLIS, Esq., ASSOC. M. INST. C.E., Acting Sanitary Engineer to Government, to the Chief Secretary to Government, dated Fort St. George, 28th June 1894, No. 1434.

With reference to your endorsement No. 497, dated 25th June 1894 (herewith returned), I have the honour to inform you that as, under G.O., No. 1290 W., dated 23rd May 1894, Public Works, two Engineer students have already been posted to the Tanjore and Trichinopoly water-supply schemes for practical instruction, I do not consider it advisable to increase that number, but P. Ranganayakulu Naidu might be posted at Adóni where water-works are now in progress.

No. 540, Local and Municipal.

Transferred to the Public Works Department with reference to its memorandum, dated 16th June 1894, No. 2218 C.

FORT ST. GEORGE,
6th July 1894. (Signed) L. DAVIDSON,
Ag. Assistant Secretary.

ORDER—dated 20th July 1894, No. 1822 W., Public Works.

Engineer student P. Ranganayakulu Naidu will be transferred to the Adóni water-supply scheme for practical instruction under the orders of the Sanitary Engineer.

2. The subsistence allowance of the student will be disbursed by the Executive Engineer, Bellary division.

3. At the end of December next, the Sanitary Engineer will furnish the Chief Engineer, Public Works Department, and the Principal, College of Engineering, with a report on the conduct and progress of the student.

Copy of letter dated 16th March 1894, fron P. Ranganayakulu Naidoo, Engineer Student to the Principal College of Engineering, Madras, through the Executive Engineer, Khurda Division.

Ever since I came down here I have been suffering from continued attack of fever. I see no chance of recovery and I am obliged to leave the place. My cook also who came with me is dangerously ill. It is evident that this place does not suit my delicate constitution. I have herewith enclosed a medical certificate confirming my statement.

Under these circumstances I request you to be kind enough to arrange with the Engineer-in-Chief and the Manager of the East Coast Railway to transfer me to any portion of the line between Bezwada and Langulia a distance of 290 miles as the remaining portion which is located in Ganjam district and Orissa does not at all suit my constitution.

I beg to point out that all the other Engineering students (12 in number) were given the choice of selecting their own circle in the order of merit.

I am willing however to join the new station at my own expense and also make up the number of days I would be absent beyond the sanctioned limit at the end of the year as is done in our Workshop course.
